

**Statement on our support of Palestinian and Israeli partners in peacemaking**  
**Presented to Delegate Assembly on July 4, 2015**  
**Written by Mennonite Palestine-Israel Network**

As delegates of Mennonite Church USA, we express this **statement of support for our Palestinian and Israeli partners in peacemaking**; we confess that we have much work to do. Over the next two years, we will strive

- to understand more fully the social, economic, and political context in which you live, work, and pray;
- to reflect on our own theological and political understandings of the land of Israel-Palestine;
- and to discern ways we can seek a more just future for all peoples of Israel and Palestine.

During this time of learning and discernment, we pledge to pray for peace and act for peace.
