

WHAT IS THE MINISTRY INQUIRY PROGRAM?

MIP is an opportunity for college-age young adults to test their gifts and explore their calling through a hands-on summer internship in a Mennonite Church USA congregation. Participants usually work under the supervision of a pastor, and are involved in many aspects of congregational life and work. The MIP offers a wide range of congregations across MC USA.

HOW DOES MIP WORK?

The student sets their own goals in consultation with both the supervising pastor and their college administrator. Requirements include a final reflection paper (750-1000 words) and evaluation. In most placements, students live with a host family from the congregation who provides lodging and food expenses. Each participant receives a scholarship of \$3000 to be applied expenses at a Mennonite college or seminary.

"MIP HAS REALLY ENABLED ME TO TAKE A DEEP DIVE INTO PASTORAL MINISTRY, BOTH IN WHAT IT COULD LOOK LIKE FOR ME IN THE FUTURE AND HOW I SEE IT BEING PLAYED OUT IN THE CONGREGATION I'M SERVING IN. I WOULD DEFINITELY RECOMMEND THIS TO ANYONE WITH EVEN THE SLIGHTEST INTEREST IN EXPLORING FAITH AND LEADERSHIP."

The money comes from the following sources:

- \$750 from Mennonite Church USA
- \$750 split evenly between the home and hosting conferences
- \$750 from the home congregation of the student
- \$750 from the Mennonite college or seminary the student attends the following year or at a later date.

In addition to the above, the congregation to which the student is assigned provides \$750 cash for living expenses. They also provide the lodging for the duration of the internship.
